

BOD Meeting

July 16th, 2026

All present except: Richard Pittman, James Wilson, Ed Marsalis, Kevin Holyfield

6:00pm. Mrs. Shannon stated we added 130 new members. Membership total is right around 900 for the year.

6:15pm: We are looking into offering t-shirts and polos to membership. The cost for t-shirts is \$20, and polos are \$29, including shipping and taxes. Ideal time frame is for the orders is August 1st – August 15th. This is at no cost to the club. Orders will be shipped to members the end of August. Motion approved to move forward with tshirt orders.

6:17pm: Mrs. Shannon has been in contact with the director Shoot Sig regarding hosting a match for the 2027 year. Shoot Sig would be a 2 day event open to the public. The entire range complex would be shut down for the dates of the match + a few extra days for setup/take down. Shoot Sig has never been hosted in MS so MRPC would be the first to host it. Motion made to proceed with applying to be the host range. Motion approved.

6:22pm – There is an RSO class on August 29th taught by Mr. Lancaster. Mr. Shannon suggests we add some RSO's from MRPC membership. There are three current MRPC members interested in taking the RSO class. MRPC will cover the cost for three MRPC members to attend the class. Motion approved.

6:26pm – Mr. Reno speaks on the deck repair. Done Wright Fences & Decks provided a quote to replace parts of the deck for \$474.58. Motion made to approve up to \$1000 in case there is additional repairs to be made once the work is started. Motion approved.

6:29pm – There are several fans under the pavilion that are not working. Mr. Reno cannot get the fans down. Motion to pass on fixing the fans for now. Motion approved.

6:31pm – The eastern Connex box stores the target stands for competitions. Connex is getting cluttered. There are a group of stands that are used years ago for the black powder competitors, and a group of stands that were used for the benchrest group. Mr. Reno took 90% of the stuff and moved into the east building so if anyone needs it that is where it is located. No vote needed – just informational.

6:36pm. Mr. Reno will ask Lewis Grass Cutting services to give us a quote on removing the trees from berm on Range 7, and other ranges as needed.
